Conducted to support the education of poor hearing-impaired students. 5 students and 9 staff from Anbalaya special school participated to add a boost to the event. The event got geared up of our participants winning medals and certificates. It is not up to win but the will to participate matters. Such a mighty run was done by our team.

Inter-District Sports Meet 2019

The much-awaited INTER DISTRICT SPORTS MEET 2019 was held on the 10th of August with great zeal, excitement and frolicsome atmosphere. About 9 schools and more than 400 participants took part in the event. The students entered the ground with the spirit to achieve and they made it in a great way.

The teachers played a vital role to train their students in sports events, games, drills, pyramids, etc., the event started with the systematic march past. It is a good great heart of supporting volunteers, chief guests and training of staff that made the event a great success.

Gold medals are not made of gold, they are made of sweat, determination and hard work to form alloy called guts, and everyone made it with a spirited flame to achieve the final goal. Every student there proved the point that physical disability is not a great deal when you have the determination to achieve something. The day went well with the mighty grace of God.

On29TH August 2019, **13th special children sports meet - 2019** was held at **Perambur railway stadium**. It was such a refreshing and energetic programme. Students and staff from Anbalaya Special School and Anbalaya Rural Special School participated in 100m & 50m running.

Students have given their best and each got a medal and gift bag for appreciation. Afternoon food was provided and gifts were also given to staff who support the event. The day went well with the winning spirit of the students.

Teachers Day 2019

Teacher's day was celebrated at our centre on 05th Sep 2019. The parents encouraged our teachers and supporting staff for the development of the children. Students Samyuktha and Megashree gave a beautiful poem to teachers. It was very thought proving for the teachers. The event lit to spark with cake cutting and the vice principal gave the vote of thanks on behalf of teachers.

PARENTS Meeting

Parent's meetings are organised in two centres to guide and educate them on recent techniques, Govt provisions and to discuss their children's development. The Guest speaker **Mrs. Priyasakhi**, a writer and scholar for Learning disabilities shared about learning disabilities and also how to manage them.

Motivational talk for parents to accept their children and to make them a great achiever in their way aided by video clippings and about how parents have to take care of their children in a loving way. The Brain gym, games and alternative communication are introduced to them for the benefit of their children.

On 21st September 2019 parents meeting at Anbalaya Rural Special School, aims at how the children are independent in the hostel. So, they request to follow at home on holiday. The importance of First AID is practically shown to the parent especially at the time of fits. These parent meetings help them to find a group to encourage each one of them morally.

Festivals & Celebrations

Diwali, Christmas and Pongal are the festivals celebrated to bring joy to the children. Children's day, World disabled day, women's day were celebrated with the focus of bringing out the children's talents and also to educate them on social awareness.

SPECIAL PROGRAMME

New TRAINING HALL

Remembrance of the 24th year of our centre we extended a new multipurpose training hall inaugurated by **Rev.Fr. Peter Jayakanthan** on 09th Dec 2019. There was an awareness exhibition with the participation of 7interschools on different topics to educate the parents on disability. **Dr. Anbuselvam** inaugurated the exhibition and one of our society members **Mr. Vijaykumar**, has opened the new hall. Children enjoyed the day with fun games.

CRE training

The state conference for the professionals is organised with the collaboration NIEPMD from; 14.12.2019 to 15.12.2019 at our centre. About 50 special educators from all over the state took part in the conference. The meeting is on the topic "The Structured training on the relationship dynamic to the teachers of children with multiple disabilities" Different experts in the field are the speaker and they forecast the practical and applicable activities for the teachers. The participants very much interested and they are keen to have more such workshops from DEC.

CHALLENGES

1. The inclusion is very challenging in getting jobs for the successful trainee as well as the sustainability of the trainee.
2. Day by day children with autism is increasing. There is a need for space and parental support to understand and give training.
3. Funds to run the project is hardship and the unissued Govt grants are making so burdening.

FUTURE

1. DEC would be a resource centre for a parent, beneficiaries and also for the professionals.
2. To start an income generation programme to sustain the project.

OUR THANKS

We thank all our well-wishers, donors, Asha Niketan, the members, Ministry of Social justice and the team of Anbalaya for cooperating with us in our journey. We expect the continuous sprit for the wellbeing of the society.
